The background of the entire page is a solid, vibrant red. Overlaid on this are several white geometric lines. Two primary lines originate from the top corners and converge towards the center, forming a large, elongated triangular shape. Within this triangle, there are two smaller, white rectangular shapes, one on each side of the central vertical axis, positioned in the upper half. A series of three thin, parallel vertical white lines run from the top to the bottom of the page, centered horizontally. The word "ORGANIZATIONS" is printed in a white, sans-serif, all-caps font, centered horizontally and positioned in the lower third of the page, overlapping the bottom portion of the central vertical lines and the lower part of the large triangle.

ACADEMICS

President CHARLES T. THRIFT

A college needs to be composed of all types of professors, from biologists to philosophers. Among the variations, a few stand out for their ability to successfully mix teaching, learning, and administering. The 1969 Interlachen is dedicated to one who combines all of these, while accomplishing the greatest task, being an understanding and willing friend to the students of Florida Southern College. In appreciation for his devotion to students and learning, the 1969 Interlachen is dedicated to Dr. Richard Burnette.
